September 2002

Remember how I spoke to you about a particular case of the enemy trying to prevent our move to South Carolina by making the purchase of our house fall through? And how God kicked the old slew foot out? God is all powerful! The devil has NO power except what God allows. And God wants us, His Holy-Ghost filled children, to take authority. I am learning to do this, but I only do it when that special anointing comes upon me. And it works.

Last month as we prepared to move, he struck again. The packers came on Monday, and the movers were scheduled to come on Tuesday to load up the truck. They were scheduled to begin at 11 a.m. At five after eleven, the phone rang. The moving company said, Sorry, but they couldn't move us. They said the driver did not show up, they did not have a truck, so....too bad. Bro Doty explained, "This house is no longer ours, it has closed, and we have to be out by 5 p.m." Sorry, they said, but maybe tomorrow.

Well, that old Holy Ghost anointing fell on me, and I commanded the devil to get his hands off that moving truck in Jesus Name. Guess what.....ten minutes later, the company called to say our truck was on the way!

I tell you this to remind you of the power and authority YOU have over the enemy of your soul--in the name of Jesus, you can do anything. The power of God can do anything, and the power of God is in YOU.

God bless you,
Your friend,
Lynda Allison Doty
